FREE Freight Cash Price List—Fall, 1919—Spring, 1920

IN EFFECT SEPTEMBER 1, 1919

PRICES IN THIS LIST SUPERSEDE ALL OTHER PRINTED PRICES

FREE Freight Prices herewith are for **FIRST CLASS Stock, Packed Free and Free Freight** to your Own Freight Station

Terms Cash with order, or on large orders we will ship if one-fourth cash is remitted with order, balance to be paid on arrival.

Small Orders Because of the increased cost of land, labor, implements, packing material, etc., there is no profit on orders for less than \$5.00, and we cannot accept orders for smaller amounts.

We Box and Pack Free These cash prices pay for everything, including FREE Freight to your own Station (anywhere east of the Rocky Mountain States) on orders of \$20.00 or over, or if orders of this size are sent by express the consignee is to pay the difference between freight and express charges. While we pay freight charges on shipments, this is only an adjustment of the purchase price, the purchaser assuming all the risk and responsibility of carriage and delivery by the transportation company. If stock damaged in transit make claim for damages to transportation company. They are responsible.

Louisiana, Mo. is located on through main line railroads, north and south, east and west. We can make surprisingly quick shipment to all parts of the United States.

Parcel Post Orders We can ship 2 to 3 ft. size trees by parcel post. Add 5 cents to the 2 to 3 ft. price and this stock will come to you by mail postpaid. We can also ship grapevines, berry plants and small size Ornamentals in the same manner, prices are 5 cents more than listed. However, we prefer express and freight shipments, but make this offer for those far removed from railroads.

Non Warranty In the event that any nursery stock sold by us should prove untrue to name under which it is sold, we hereby agree on proper proof of such untruthfulness to name to replace the original order, or to refund the purchase price. Except for such liability and in respect to all nursery stock sold by us we give no warranty express or

implied as to description, quality, growth, productiveness or any other matter.
